Welcome

Welcome to Patisserie Valerie, we do hope you enjoy dining with us today and sampling the cosmopolitan delights of our menu.

Before you leave, why not treat yourself to some tasty patisseries to take away with you today?

There are many Patisserie Valerie stores situated around Great Britain, each one with its unique style and atmosphere.

About Patisserie Valerie

The original Patisserie Valerie first opened its doors in 1926, in Frith Street, when Belgian born Madam Valerie decided to introduce a taste of the continent to the English.

In our havens of self-indulgence, you will discover hand-made cakes and patisserie, continental breakfasts, lunches, the finest teas and coffees and an atmosphere that is unique to each Valerie location.

We've worked hard to achieve an international reputation and this has been built on the quality of our products - hand-made using traditional methods resulting in award-winning croissants and Viennoiserie.

Our popular and second-to-none bespoke special occasion cake and celebration cake service offers outstanding value for money. This is becoming increasingly popular through our online ordering service.

We have been creating sumptuous chocolate wedding cakes for years, and have a delicious collection of designs.
